

Beachside

Beachside

# beachside

Beachside is a mid-grained, beige to biscuit coloured sandstone. Its subtle banding and granular appearance gives Beachside unrivalled character while its soft base colour tones blend seamlessly with any surroundings. Beachside paving has diamond sawn edges and a lightly textured surface finish that accentuates the natural elegance of the stone. Complete the look by incorporating Beachside Setts into your designs, see page 108.

Beachside with Beachside Setts, see page 108

## beachside

	m <sup>2</sup> per pack	no. per pack	kg per pack
4 size Project Pack	11.70	44	913

\*Project Packs contains: 10 no. 855 x 570mm, 13 no. 570 x 570mm, 11 no. 570 x 285mm, 10 no. 285 x 285mm
