Drivegrid, Cinder Black 6-10mm with Ampliar Roundtop Edging and Millstone Driveway Setts entrance slip

# drainar

Stonemarket Drainar is a patented, innovative concrete drain designed to manage water run off, conform with current legislation and reduce the risk of flooding so that planning permission is not required. The concrete linear drainage units can be used universally across both the Paving and Driveway collection.

Charcoal in colour, Stonemarket Drainar coordinates perfectly with the entire Stonemarket collection and is available with all components required for a full installation.
