

# permeapave

Permeapave is a cost-effective permeable block paving system for domestic driveways that allows rainfall to pass directly into a specially designed sub-base and then drain away naturally, rather than into hard pressed drainage system

For a comprehensive guide to installing Permeapave see the Stonemarket Permeapave Technical Installation Guide, available by calling 0345 302 0603 or at [www.stonemarket.co.uk](http://www.stonemarket.co.uk)
